SMDRA's Holiday Brunch is in support of our own local Boys and Girls Clubs. Why Boys and Girls Clubs? To support the partnership with the National Association of REALTORS® and the Boys and Girls Clubs of America. As the premier youth-serving organization in the U.S., Boys and Girls Clubs serve as a "home away from home" for nearly 4 million kids each year during the critical time after school and in the summer. Clubs and REALTORS® are part of the fabric of every community in America, and we are working together to give back and make a difference for OUR boys and girls, and strengthen OUR communities!
