2021 SMDRA VOTING GUIDE

Municipal Candidate and Referendum Recommendations

The South Metro Denver REALTOR® Association's Candidate Screening Committee and Board of Directors meticulously studied all the issues and variables affecting this November's election. The candidates who accepted our invitation to interview were asked questions pertaining to real estate, the economy, private property rights, tax issues, and a variety of other topics. These recommendations are made as an attempt to help you consider which candidates score highest on our issues and who would be the best choice for election.

SMDRA encourages everyone to make sure to mail in your ballot on time and participate in these very important municipal elections.
