Some of his areas of responsibility at CAR include state ballot issues, government affairs team management, lobbying, local laws and ordinances, grassroots efforts, Issues Mobilization, and national and federal candidate issues, and all general political affairs.

## ● SESSION INFORMATION

Join us for the June Power Lunch as Colorado Association of REALTORS® Vice President of Advocacy Brian Tanner delivers a behind-the-scenes look at one of the most impactful legislative sessions in recent years.

From defeating proposed policies like a vacancy tax and taxing land at its "highest and best use," to protecting property rights and housing opportunities across Colorado, this session will break down the real issues that could have directly impacted REALTORS®, homeowners, investors, and the future of housing in our state.

Learn what happened under the Gold Dome, what was stopped before it became law, and why advocacy work matters more than many REALTORS® realize. If you've ever wondered what CAR is fighting for on your behalf - this is the lunch you don't want to miss.
