# A NEW MEMBER BENEFIT!

## A CELEBRATION OF **YOU!**

And new this year for Diamond Circle, we reimagined the program with one goal in mind: **Celebrating YOU.**

We removed application fees for individuals, partnerships, and teams, because recognition shouldn't come with a barrier. If you met the production criteria, you earned your place in the **Carat Club... period.**

The result? We went from recognizing 150 Top Producers... to celebrating over 1,000 of our **incredible SMDRA members.**

Because this night isn't just about awards, it's about shining a light on your **HARD WORK**, your **DEDICATION**, and the **SUCCESS** you've earned!

## IN MEMORY OF OLIVER FRASCONA

Oliver Frasca served as the South Metro Denver REALTOR® Association Attorney for over thirty years. He was not only a good man, but a great man, a great leader, a teacher, a mentor, and to all of us, a dear friend. Throughout his long and brilliant career, he worked tirelessly to promote and protect the REALTOR® "R." This was a man for whom anything less than the best would simply not be tolerated.

### ELEVATIONS CREDIT UNION

Elevations Credit Union is one of the largest and most successful credit unions serving all of Colorado. Started in 1952 on the University of Colorado Boulder campus with less than \$100 in assets, we have grown to over \$3 billion in assets and serve over 170,000 members. We are a member-owned, not-for-profit financial cooperative that is dedicated to the communities we serve.

In addition to one-on-one consultations, we host dozens of free financial seminars on a wide range of subjects, and we reach thousands of K-12 students through our financial literacy programs in schools each year. After all, informed members make better decisions that benefit us all. Our Mortgage Team is the best in the state.

### THE MORTGAGE COMPANY

At The Mortgage Company, we believe home financing should feel less like a transaction and more like a partnership, and for us, that partnership often grows into something even more meaningful. Since 1996, we've had the privilege of helping families, first-time buyers, and seasoned homeowners navigate the path to home-ownership with confidence, care, and connection

As a local lender deeply rooted in the community, we take pride in offering personalized guidance, clear communication, and thoughtful solutions tailored to each client's unique journey. Whether it's a first home, a refinance, or accessing equity, our mission is to make the process simple, transparent, and stress-free.

Over the years, something special has happened—our clients don't just walk away with keys; they become part of our extended family.

We celebrate their milestones, support their goals, and cheer them on long after closing day. It's this sense of trust and genuine relationship that fuels everything we do. We also believe that success in real estate is built on strong, collaborative relationships. That's why we're proud to partner with REALTORS® and community organizations who share our heart for service.

Together, we work to uplift and empower the people we serve. At the end of the day, we're not just helping people get loans—we're helping them find home, and welcoming them into ours.
