ALL ABOARD! YPN is hitting the road for an exclusive Trolley Tour of Windler! Join SMDRA YPN for a fun and informative afternoon exploring Windler, one of Aurora's newest master-planned communities. Hop aboard the trolley for a guided look around the community while learning more about the development, what's taking shape and what REALTORS® should know about this growing area.

Then, when the trolley rolls back in, stick around for Happy Hour hosted by Windler and enjoy drinks, networking and conversation with fellow YPN members.
